

# LEMO AIRSTREAM LIVE AT IBC, AMSTERDAM

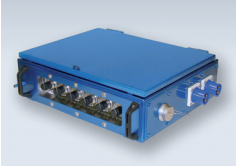

# Find out more about the HD MEERKAT at LEMO, Hall 11 - booth C45

Come to see us during the IBC exhibition! LEMO is proud to show you its entire range of new broadcast and professional solutions for HDTV.

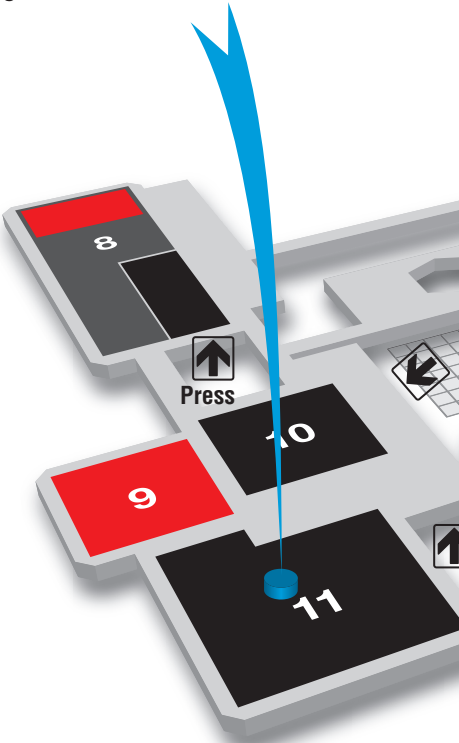

The LEMO MEERKAT™ Triax media converter system enables running fibre between Triax cameras and OB vans.

The LEMO MULTISHACK™ enables up to 6 cameras to be individually powered from a remote source.

The LEMO Media Converter offers mobile facility providers, production centres and broadcast studios an appropriate and professional solution for long distance signal transmission.

# LEMO's On the Road Exhibition Trailer is coming to meet you at IBC!

LEMO's Airstream trailer cruised through Europe during the summer and autumn of 2009 and is now at IBC - Amsterdam. Just come to see us in order to discover LEMO's extensive product range. Coffee and other drinks will be offered.

The interior of the caravan provides a mobile exhibition booth presenting LEMO's connector range for all types of applications including medical, industrial control, test and measurement, audio-video, and telecommunications. There's also a small lounge space with comfortable seating for a talk with your LEMO representative.

**During IBC 2010, find LEMO at two different locations:**

- Hall 11, booth 11.C45
- Outside area, booth OE106

# SEE US AT BOOTH 11.C45 & OE 106 IBC - AMSTERDAM

**IBC - Amsterdam 2010**  
10th - 14th September

Each September, the leading brands, finest minds and wisest investors come to IBC – the premier annual event for professionals engaged in the creation, management and delivery of entertainment and news content worldwide. Held at the RAI Centre in Amsterdam, the event attracts more than 45,000 attendees from more than 140 countries worldwide.

IBC is at the cutting-edge of new technology in the rapidly evolving electronic media industry. It couples a comprehensive exhibition covering all facets of today's industry with a highly respected peer-reviewed conference that helps shape the way the industry will develop in the future. Along with all this, attendees are presented with a wealth of networking opportunities that take place in a professional and supportive environment.
